This list of legal descriptions with taxes due is the updated list of available properties and assessments for the March 7th 2022 tax sale. This list is in descending dollar order and is the list that everyone MUST use at the Gosper County sale.

The sale will begin at 9:00 in the Gosper County Board room. Buyers need to register at the Gosper County Treasurer's Office by 8:45. When you register, we will need a signed W-9 form along with the names of contacts, address, and phone and fax numbers.

We ask buyers to leave a blank check with the Treasurer's Office. After we process the certificates, we will send the buyer copies of the check, certificates and paid tax receipts. We prefer to hold the original certificates in our office, for quicker redemption processing.

If you have question, please contact our office at 308-785-2450
